Director of Children's Ministry

Part-time Position Summary

The Director of Children's Ministry at Sierra Vista Presbyterian Church (SVPC) will plan, organize, and lead a ministry that provides opportunities for age-appropriate discipleship, worship, and fellowship for children from birth to grade five.

SVPC Mission

As lifelong Disciples of Christ we are committed to:

Worshipping Jesus Christ, connecting individuals to the Community of faith, and equipping them to live out their faith so that they will, serve the needs of others."

Children's Ministry Mission - The Children's Ministry seeks to glorify and enjoy God by guiding children through the truths and practices of our faith tradition, by nurturing and cultivating their spiritual health, and by incorporating children and their needs into the broader body of Christ.

Accountability

This position is supervised by the Pastor of Discipleship and will work cooperatively with the Children's Ministry Team.

Qualifications

- Have a strong personal faith in Jesus Christ, agree to ECO's statement of faith and a desire to transmit and model the love of Jesus Christ to children and families.
- A four-year degree preferred, and/or experience in directing education programs and teaching.

Responsibilities

- Develop and direct programs and activities leading spiritual formation and faith development for children in line with SVPC's mission and purpose.
- Recruitment and training of volunteer leadership and coordinate children for worship services, special services and events.
- Administration of the children's program with oversight and development of the Children's Ministry Budget.
- Participate in staff meetings for planning and implementation of church activities related to children and family ministry.
- Engage and evangelize children and families within the church and our community.
